

# ENHANCED SAFETY GUIDELINES

## Moving Forward: Pool & Wet Area To Reopen Aug. 3

We're open and back to our 24-hour schedule! For the past 29 years, Club Julian has been committed to providing a safe and ultra-clean environment. Be assured that will continue during the reopening with enhanced operating procedures and CDC recommended best practices in place. We ask our members to work with us to ensure the safety and well-being of all.

**NOTE Revised Mask Policy as of August 3, 2020.** Based on CDC guidelines, the Club will **continue reopening in three phases** - each phase ranging from 2 to 4 weeks - while taking a safe and practical approach to resuming normal operations. While capacity limitations are in place, remember our convenient 24-hour schedule allows you to visit us during lower traffic periods for better physical distancing.
